## FOREWORD AND DEDICATION

Music, mankind will agree, is a basic cultural pleasure.

Our sincere appreciation is extended to the Band, for its splendid and unselfish contribution to our esthetic enjoyment of music.

It is with a sense of gratitude and humility that we dedicate this 1953 edition of the HARRISONIAN to our Band for its cultural gifts to our school and community life.

Walt Paul  
(BAND)*

The Harrisonian Staff and members of the graduating classes of February and June 1953 are to be congratulated for their thoughtfulness in dedicating this issue of the annual to the Band. The history of the Band and its service to the school, like the Harrisonian itself, is so well known and recognized that any recalling of it would be superfluous. By dedicating an issue of the annual to a sister organization, the Harrisonian enriches the record that it leaves and helps to perpetuate a spirit—The SPIRIT OF HARRISON—that is more indestructible than the book itself.

## ASSISTANT PRINCIPAL

Harrison's first principal, Mr. F. L. Morse, said, "School is not to be regarded as preparation for life; IT IS LIFE." It is an important phase of a normal life which should be experienced and enjoyed to the fullest, while the pupil develops and trains for the phases of life to follow.

Pupils, put into your school experience ambition, energy, cooperation and ideals. Benefit fully not only from the opportunities for training that it offers, but also from the pleasures it affords.

## 25th ANNIVERSARY BAND CONCERT

Famous Orchestra Hall provided the setting for the 25th Anniversary Band Concert by the Harrison High School Concert Band, under the direction of J. F. Ewald, on Friday evening, January 30, 1953. Thirty-five former band members, from the year 1928 through 1952, responded to the invitation to participate in the silver jubilee concert. In formal dress, the combined choruses and choirs, totalling three hundred voices, together with a sixteen-man R.O.T.C. exhibition drill team, assisted the Band in making this a gala musical evening long to be remembered by the audience which filled the hall to capacity.

1917

## HARRISON BAND HIGHLIGHTS

Organized in 1917 under Mr. C. Peterson, director, the Band consisted of twenty members. Mr. Hiram Loomis (on Harrison's present faculty) became assistant to Mr. Peterson and introduced Army band procedure. In 1921, Mr. Ervin H. Kleffman succeeded Mr. Peterson as director. A year later Harrison had two bands, one for experienced players and the other for beginners. It was not until 1924 that girls were permitted to join the Band, and all students taking Band received a minor credit. It was in that year that Capt. Raymond Butler became director, with Mr. Loomis and John H. Barabash as assistants.

In 1925, Capt. Barabash was assigned as director, with Mr. Loomis continuing as man-

ager. Under Barabash's leadership the Band grew so that in 1927 there were four units — concert, second, beginners' and girls' bands. Fifteen years later, in 1939, Barabash was promoted to Wright Junior College and J. F. Ewald assumed the directorship.

The Band has an enviable record of achievement. It has participated in many city, state and national contests, winning thirteen Superior ratings in twenty-seven city-wide competitions and three national championships (national contests were discontinued after 1940).

Besides serving the school by playing for assemblies, football games and other school programs, the Band serves the community and

the city. Since its inception, the Band has played for W.M.A.Q., Daily News broadcasting station (1923), the National Teachers Convention at the Auditorium (1924), the International Live Stock Exposition (1924-25), the dedication ceremonies of the Oak Park Stadium (1925), grammar school parades during Clean-Up campaigns (1928), was featured at the All Nations Carnival (1932), represented Chicago high school bands at the Century of Progress Exposition (1933), opening the Music Supervisors National Conference and played before the City Council (1934).

During the years of World War II, the Band played for numerous War Bond and Stamp Rallies. In 1944, it was the first band in the United States to receive the Citation from the War Music Council for its outstanding and untiring efforts in performing for War Bond Ral-

lies and Civilian Defense activities. It had the enviable record of helping to sell over a million dollars worth of War Bonds.

For many years the Band has led the Armistice Day parades in the loop. In 1948, it was selected by the U. S. Savings Bond Division of the Treasury Department of Illinois to perform for the Bondmobile Loan Campaign National Kick-off, held in the loop. In 1950, it played for the dedication ceremonies for the Walter Eckersall Stadium, participated in the Board of Education Youth Achievement Exhibition of the Rotary Club at the Sherman Hotel, cooperated with Mayor Kennelly's Committee for a Cleaner-Chicago Clean-Up parade in the loop, and for several years it participated in the community's I Am An American Day parades, winning first place in the marching contest in 1951.

# HARRISON BAND PARENTS ASSOCIATION

The Harrison Band Parents Association came into existence in October, 1933, when the Harrison Band Mothers' Club, organized in 1927, voted unanimously to include fathers in the organization. The Association, which is a chartered organization composed of parents and friends of the students in the Band, has as its objective, to give moral and financial support to the Band, buy and repair instruments, furnish sheet music, transportation to contests, and incidental expenses.

One of the most prominent divisions at "Carter H" is Division 8-121. Under the guidance of Mrs. Hunter and Miss Cappetta we have made Harrison truly proud of us.

MISS CAPPETTA

Our members have participated in all the activities offered to us. Here we hold memories we shall cherish forever.

As the Curtain of Time draws closer we shall say good-bye to a school which has started us off on the road of life.

High school days are never forgotten, nor the strong friendships that have brought about years filled with good times.

MISS MCGREGOR

Although we shall receive our diplomas in joy, we are sad at the thought of leaving.

And now, as we part to go along the different walks of life, the memories of the dances, football games, assemblies, classes and all the thrills that come once in a lifetime, shall be cherished forever.

... FALL

As we look back over our high school days, we are proud to note that this division has contributed well to the various activities at Harrison.

Now that we are leaving Harrison, we are sorry that we did not do more, and better, while we were here. But, our biggest regret is in parting from our teachers and friends we made here.

As four wonderful years draw to a close, we suddenly realize what fun we have had here at Harrison.

Our division has been well represented in the various activities of the school.

MISS WOOLFENDEN

We will long remember all the friends we made, the football games, skating parties, dances, the prom, banquet and graduation night.

We sincerely appreciate the help given us by our division teacher, Miss Woolfenden, throughout our four years.

## DIVISION 8-220

MR. PLETCHER

SPRING . . .

All good things must come to an end, as the saying goes, and now it is time to put our high school days to an end. We have acquired and experienced much from high school, but now we move to even greater experiences and achievements. In the years to come, Harrison will remain as a fond memory of all our happy days spent there working and playing together.

With heart-felt thanks and sincere gratitude, we thank Mr. Pletcher, our division teacher, and our many other teachers for their wise and guiding hands.

And so we say good-bye, dear Harrison High.

SPRING

The hands of time have crept steadily forward and the first four steps of our ladder to success have been firmly built during our memory-filled days at Harrison in Division 8-224.

It seems a laughable matter to remember our first day at Carter H as "green" freshies! Yes, we have progressed swiftly and surely and now are ready to leave the sheltered harbor and seek deeper channels.

We have left behind us the memories of a most versatile division, since we proudly boast members in each of Harrison's innumerable activities.

Graduation night will find each "personaliteen" of our division reading between the lines of his diploma—reading of the careful guidance and sincere help given us by Mr. Ira Oertli, who, along with all our teachers, has instilled in us the desire for success and happiness, which will always be cherished in our hearts.

MRS. WOOD

SPRING . . .

Four glorious years have passed and we are now ready to face the future as men and women.

Many thanks go to Mrs. Silva Wood, our division teacher, who has stood by us always with a helping hand.

Our class spirit is manifested by the appointment of members of our division to the offices of Class Treasurer, Honor Society President, and the Vice-President and Secretary of the Masque and Gavel.

Our Christmas party, held at Syrena's Restaurant, the Dinner Dance, and the Prom are many of the unforgettable memories which will linger on when we think of the days we spent at Harrison.

The time has come to say good-bye to Harrison. Graduation is not the end of a happy life, but just a beginning. Many of us intend to broaden our education in college, while others are looking forward to the business world. The cherished memories of dances, football games, and skating parties will linger long within our hearts.

We can boast about our division members in every activity Harrison has to offer. Many of us have achieved honors that will long be remembered.

We thank the faculty for their careful guidance through our prosperous years. With the kind help of Miss Burgess, our division teacher, we have reached our goal, graduation.

## DIVISION 8-302

MISS O'BRIEN

SPRING . . .

Since the beginning of September, 1949, we have been attending high school. Four years of running down corridors, cutting classes, getting tardy slips and what not, have at last come to an end. Memories will always be with us, reminders of our happy days spent at Harrison.

Under the efficient guidance of Miss O'Brien, we can truly say that we have completed successfully four years which we will never forget.

Wishing each other the best of luck and happiness in the future, as well as success, we part from each other hoping to meet again someday.

When we first entered H.T.H.S., we were all amazed and even a bit frightened at its enormous size, but soon adjusted ourselves to the change.

Our division now finds representatives in all the musical groups, Honor Society, GAA, "H" Club, Hall Guards, Herald Staff, ROTC, Masque and Gavel, and the Blue and Gray. You see we do not sit back and let the world roll by.

All too soon, our little drama comes to an end. We are going to leave Harrison. For some this will mean a higher education; for others, a chance to find ourselves successful in the business world.

Here's hoping we meet again — somewhere, someday.

## DIVISION 8-311

MISS GUINANE

SPRING . . .

September 1949 — we entered the doors of H.T.H.S. frightened, green, "freshies." With patient and kind guidance, Miss Guinane helped us to steer clear of 109, keep up our grades and get into many activities.

Division 8-311 is represented in every activity at Harrison. The Blue and Gray President, Joe Cesaretti, Social Laboratory and Girls' "H" Club President, Lorraine Baran, ROTC Commanding Officer, Fred Buczkowski, Cheerleader Captain, Josie Franzo, and two football stars, Len Serdiuk and Joe Cesaretti, all hail from this division. We also boast five members of the Honor Society.

Our high scholastic and activity records prove that we are better equipped to find our place in the adult world than most other students. Yes, we are proud and confident as we walk through the doors of Harrison for the last time in June, 1953.

SPRING

A happy, carefree, jovial group of ambitious students, anxious to take their place in the social world, compose division 8-330.

We have tried to make Harrison proud of us. Our memories associated with Harrison will live on forever.

Members of our division have participated in various activities throughout our four years. Some of which are: Choir, Girls' and Boys' Choruses, Herald Staff, ROTC, Football, and chapter members of the National Honor Society. In our midst we also boast the President of the June 4A Class, Richard Stearney.

Division officers for our senior year were:

Nancy Pamulak.....	President
Andy Bultas.....	Vice-President
Peter Grib.....	Secretary
Lorraine Evensen.....	Treasurer

To Mrs. Jacobson, all we can leave is a promise to do our best and make her proud of us because we certainly have been proud of her.

SPRING . . .

As the time approaches when Harrison will be but a memory in our hearts, we are filled with mixed emotions; happy because we have made the grade, and sad because we must leave.

Amidst the homework and exams were spent the happiest days of our lives. We have made wonderful friends and have learned many things.

But as time marches on, so must we march on — on to better things, to happiness, to success, for we are the future America.

We have been given the basic training, and now we come face to face with the world.

## MRS. WOODS' PARTY

MR. JOHN KLUCZYNSKI

On Dec. 20, 1952, Mrs. Silva Wood entertained her 4B division in the ballroom at Syrena Restaurant, 4270 Archer Road. Each of the 4B students in 7-226 was privileged to invite a guest. Mrs. Wood and her husband, Frederick L. Wood, had as their guests our Principal, Mr. Ross Herr, and his wife; the 4B adviser, Mr. Charles Jicha, and his wife; our Band Director, Mr. Joseph Ewald, and his wife; and Mrs. and Mrs. Ted Reckling.

The owner of Syrena, our Fifth District Congressman to Washington, D.C., Mr. John Kluczynski, spoke briefly and very interestingly to the group.

The party was a dinner-dance, enjoyed by all the seventy-five who attended.

We regret the leaving of Captain Ludwig, Asst. PMS&T, who was in charge of the unit till early October, when he left to teach at Loyola University.

The rifle team coached by S.F.C. Robert Piersza and the Honor Guard by Master Sergeant Burton have consistently improved in their mission to bring recognition to the school.

# A CAPPELLA CHOIR

MR. BORG

This year, the A Cappella Choir, under the direction of Mr. Borg, has performed at many school programs, among them the Fire Prevention, Thanksgiving, and Christmas assemblies.

Together with the other choral organizations, the choir performed at orchestra hall with the band in a program which featured music by Nobel Cain and Victor Herbert. To add to the beauty of this occasion, the girls wore formals and the boys wore tuxedos.

The spring semester featured the Pan American Assembly, Music Festival, and Choral Competition. In these performances, the A Cappella choir endeavors to further the appreciation of choral music.

## GIRLS' CHORUS

MRS. SCANLON

Another year has passed, and once again it is time to express our thoughts and feelings toward one of the choruses of Harrison, the Girl's Chorus. This chorus is counseled wisely by the authority and guidance of our well-known director, Mrs. Scanlon.

In addition to our experiences in the past, such as performances at assemblies and various festivals the year, we have accomplished something far greater. We are speaking of course of our performance with all the other choral groups at Orchestra Hall. We hold great pride in proclaiming that as our greatest achievement.

# TREBLE CHOIR

MRS. SCANLON

The Treble Choir is directed by Mrs. Scanlon, who came to Harrison a year and half ago. Under her capable leadership, the Treble Choir prepared itself for the greatest event that Harrison has ever experienced—the Orchestra Hall Concert. We were but a few of the 500 singers that participated in this event and we know that we could not have been successful without Mrs. Scanlon's guidance. We appreciate all that she has done for us, and we know that in the future, we will strive even harder to please her and accomplish as much as we can under her capable guidance.

# ORCHESTRA

Harrison Concert Orchestra is composed of pupils who have spent at least one and one-half years of preparation before they are admitted to the orchestra. Some of the members take private music lessons but the majority receive all of their training during school time. The reed, brass, and percussion players of the orchestra are the first chair players from the Harrison concert band.

This picture of the orchestra was taken in the newly equipped orchestra room. We now have fine soundproof, ventilated, lighted practice rooms which are a great help for individual and small group practice.

# STUDENT COUNCIL

MISS CAPPETTA

The Student Council is an organization in which the members work together with the aim of aiding and improving their school and community. In this organization, cooperation is the key word.

During the past year we have achieved many things. Among them are Open House, being host to visiting schools, and striving\* for a cleaner school. These things could not have been accomplished without the aid of our sponsor, Miss Cappetta.

Some of our social activities include movies and council "get-togethers."

## RED CROSS HOME NURSING

# RED CROSS HOME NURSING

Mrs. Hilda Marshall, R.N., instructed girls on "Home Care of the Sick" during the first five weeks of the semester in Home Management. Making your patient comfortable, taking temperatures, and making a bed were only some of the techniques covered by Mrs. Marshall.

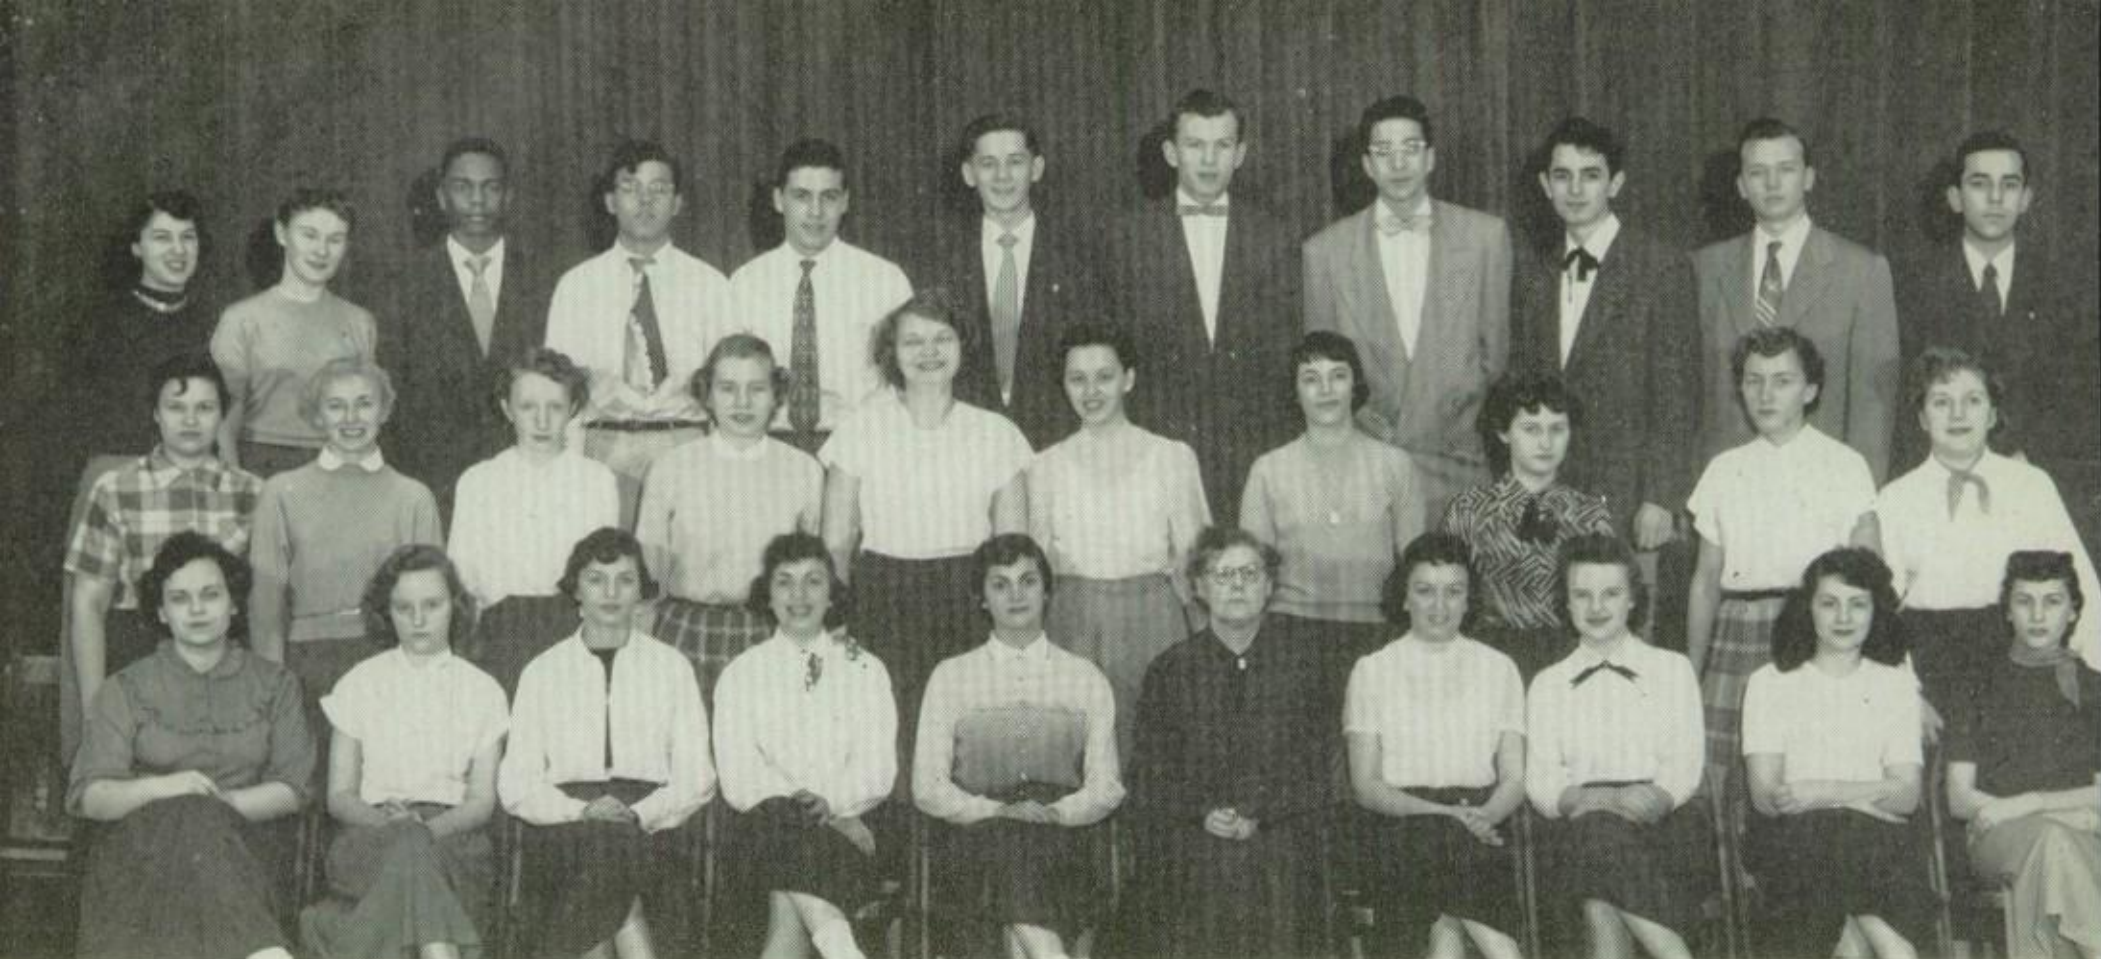

The girls participated by taking turns as demonstrators or nurses and patients. "Home Care of the Sick" was followed by "Mother and Baby Care." Using a doll for practice, the girls became efficient at bathing, feeding, and dressing a baby. A demonstration of the methods used in this class was presented to the parents at Open House.

This training was part of the regular Home Management course taught by Mrs. Chioles.

Students in this class appreciated this special training for its value in family life. The girls who successfully completed this course were awarded certificates.

# MASQUE AND GAVEL

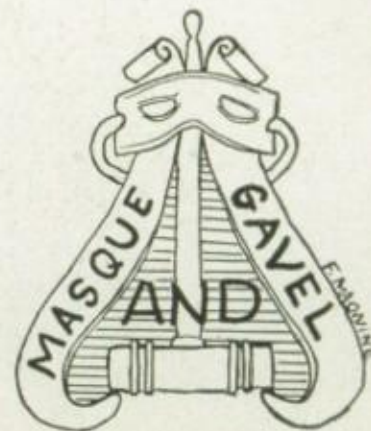

MISS VERBILLION

Masque and Gavel at Harrison is a chapter of the National Honorary Speech Society which has its headquarters at Northwestern University in Evanston.

All members have a minimum average of G plus and the recommendation of the faculty. Through participating in various school activities and programs for the annual reception of candidates, the members gain experience in real-life speech situations. These activities coupled with a showing for improvement of regular classroom recitations, form the basic program of the society.

The Society's motto, "Speech for Use," typifies the scope of its activities.

# FUTURE DISTRIBUTORS

MR. HELMERS

Distributive Education is a comparatively new subject at Harrison; now completing its first full school year. Its purpose is to prepare the student for successful employment in the business world.

The class is composed of 27 selected students who intend to enter the retailing business immediately after graduation. Mr. Donald Helmers is the teacher-coordinator.

This club was formed to promote interest in Distributive Education. The club is a chapter of the Distributive Education Clubs of America, a national organization of similar school clubs.

# PAN-AMERICAN DAY ASSEMBLY

MISS FOX

Under the sponsorship of Miss Elsie R. Fox, the fourth annual Pan-American Day Assembly program was presented on April 17, in Morse Hall. The theme of the program was a better knowledge of the Latin Americans through their life, dress, and dancing. By means of a sympathetic understanding of the life and customs of our neighbors to the south, the organization of American States for mutual protection will live on in the years to come. This union of the twenty-one American Republics assures safety and solidarity in the Western Hemisphere.

We, the sixteen girls pictured below, are members of the Blue Fawns, a club organized to help promote school spirit and increase the attendance at all the athletic events in which Harrison participates.

We have asked Miss O'Day to be our sponsor, because we feel that she has a great interest in teen-agers.

To date, we have made a small beginning and hope during the coming semesters to play a major role in setting enthusiasm.

After we have graduated, we hope another group will organize and take up where we left off.

## DIVISION 6-341

MISS MULCAHY

One of the big events of our 3A semester was our Dinner Dance.

Our representatives worked very hard to make the affair a success and most of the members of Division 6-341 attended. After such a successful response to the affair all the boys and girls are looking forward to our senior affairs.

All of the 3A divisions, with their teachers, enjoyed a delicious dinner followed by a delightful evening in the large gym. Music was furnished by Guy Grimm and his orchestra.

BONITA LOUISE JONES, Harrisonian Representative.

# DIVISION 6-321

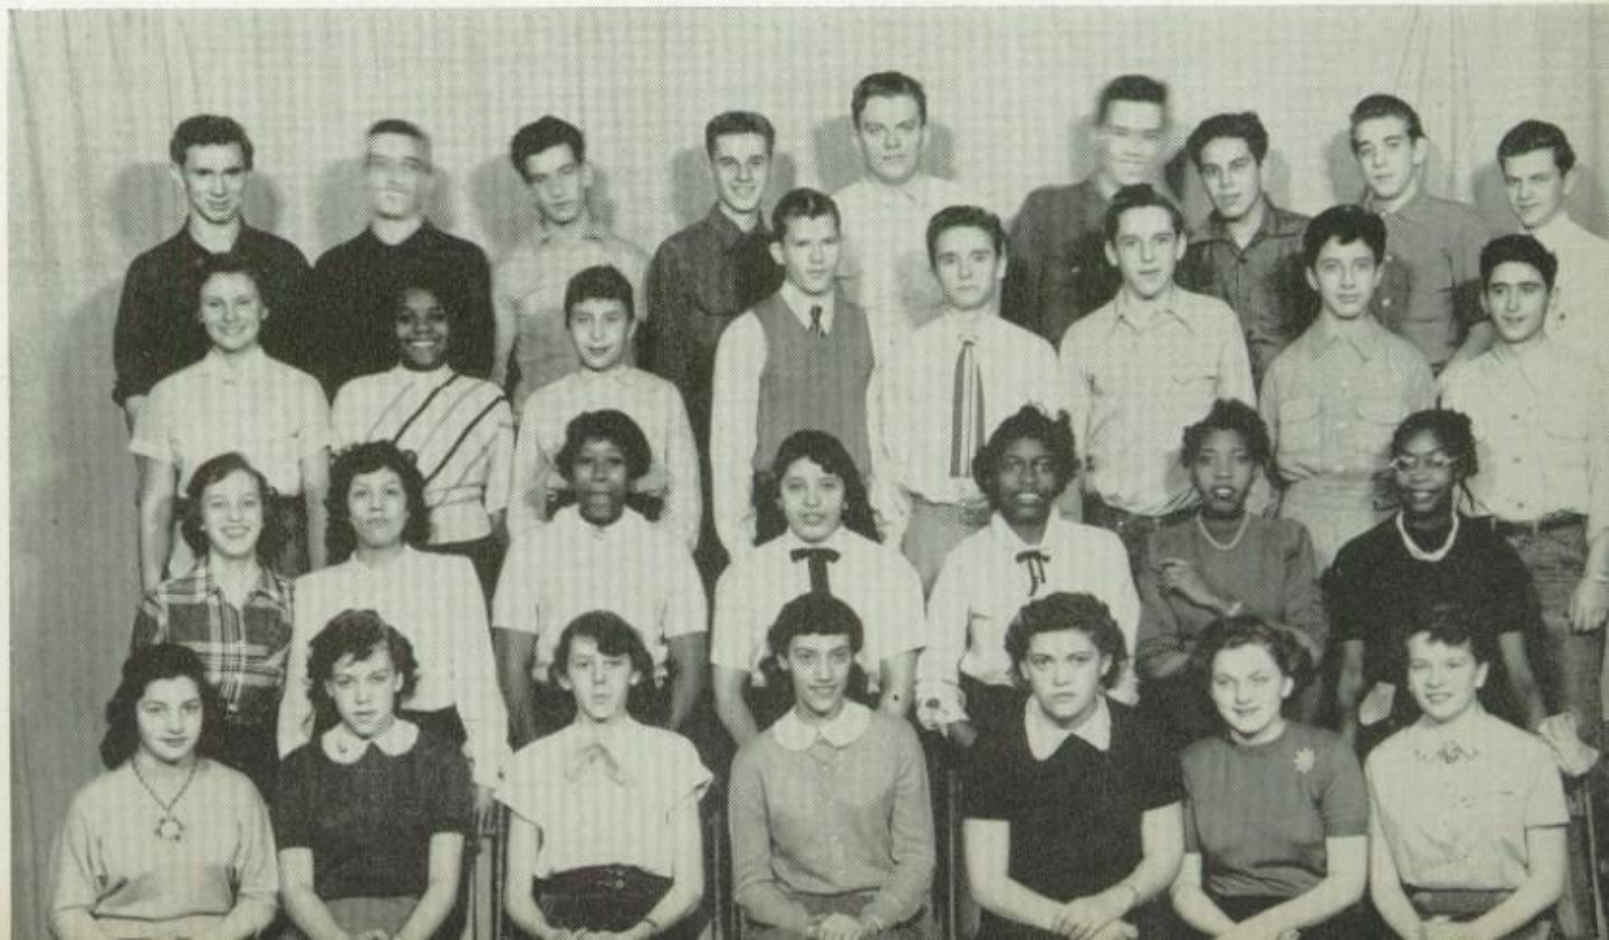

MRS. CHIOLES

In previous semesters, division 6-321 has had two division teachers, Miss Glory Bulawa and Miss Amy Dittman, and had resided in 327, 127, the lunch room and 321, respectively. We are finally settled in 321 and have a permanent division teacher, Mrs. Joan Chioles. We'll never be able to tell her how much we appreciate her, not only as a teacher, but as a friend. Her friendship means a great deal to all of us and for this we shall remember her long after our high school days are at an end.

The election of division officers was held one morning in our division. This is the first time that division 6-309 had such an important election as this and everyone was very enthusiastic over the matter. Our division teacher, Mr. William Tuominen, acted as chairman until we elected a capable president. Then the president conducted the remainder of the voting.

These officers, James Kowaluk, James Penchoff, Betty Szopa, and Ed Stalf, try to help Mr. Tuominen to the best of their ability in conducting and contributing to the division.

MR. STILLER

Although our junior year is practically over and all the joy of the Dinner Dance is just a happy memory, we still have our senior year to look forward to and all the happiness that comes with it.

We thought our junior year would not be as wonderful as it turned out to be, because of Mrs. Florence T. Skidmore's leaving, but Mr. Ernest Stiller proved us to be mistaken.

He has not only been a division teacher to us, but also a kind friend and adviser, and we look upon him as a father.

CHARLOTTE RIBNIKER, Harrisonian Representative.

# DIVISION 6-106

MISS UCITEL

After three years of studying and struggling, we have reached the glorious moment all 3A's reach, the Junior Dinner Dance. Our division has done the utmost in making their dinner dance successful. With teamwork such as ours we are bound to be successful in anything we strive.

We are deeply grateful for the guidance of our former division teacher, Mr. Kaplan. Now we are supervised by Miss Ucitel, who has devoted her time and patience to her division students, learning what she can do to advise them. With leadership such as this, I am sure we will enjoy our remaining years at HTHS, both scholastically and socially.

MR. MASCHEK

Division 5-ANS has a great deal to be proud of: its basketball team that won its first two games with only four men on the field, and its Blue and Gray members who contributed generously for the orphans' Christmas gifts. The Division is also proud of the high grades achieved by Sakalys, Fisher, Cohen, Weidell, Podlesak and Meija. Last but not least, we are proud of our new Division teacher, Mr. Maschek, who is a wonderful friend as well as teacher.

JOAN PODLESAK, Harrisonian Representative.

# DIVISION 5-400

MR. BERGH

Another year has passed and we appear before you again, now as juniors. Under the capable leadership of Mr. Bergh, we are well represented in various activities, such as: Orchestra, Band, Varsity, Football, R.O.T.C., Cheerleading, Girls Chorus, Student Council, Bowling League, and G.A.A.

Since Freshies, we have tried to put our mark on Harrison's honor list and, as seniors in the coming year, our goal will remain the same.

During our last year we will try to make our division one of the most outstanding till we all bid fond adieu to our alma mater, "graduation, June, 1954."

# DIVISION 5-339

MR. READY

Five semesters ago we came into Harrison Tech for the first time. The two-and-a-half years have gone by rapidly, but we shall find that the last years will go by more rapidly. During this time, we have made many friends never to be forgotten.

Division 5-339 has made a record of some kind, in as much as, we still have twenty-five members in our division that have been with us since our freshie semester. We are very proud of our division and of our division teacher, Mr. Ready.

## DIVISION 5-332

MR. LEJECK

After three years of hard work combined with good times we finally stand on the edge of our Senior year. The members of division 332 have come a long way since those hectic "freshie days."

Our scholastic record has been good since our freshie days, with a number of "E" students on the Honor Roll. Under the capable guidance of Mr. Lejeck, we hope to improve our good record, so that someday we will be able to hold our heads high as "SENIORS".

## DIVISION 5-327

MISS NARIC

The students of division 5-327 all wear smiles this semester because Miss Naric, our division teacher, is back with us again. Since she has guided and looked out for us when we were freshies, we were sad when she left us temporarily.

Under Miss Naric's supervision we've participated in all school activities, some of which are: choir, Band, chorus, basketball, and cheerleaders. Her never-failing interest and concern have inspired a number of us to make the honor roll.

We are rapidly approaching our goal and we are eagerly looking forward to our long awaited senior year.

JOSIE SCICLI, Harrisonian Representative.

# DIVISION 5-326

MISS STEELE

Looking back on the first day we entered Harrison High School, we recall how hard it was at that time to realize that we, the members of Division 5-326, would some day be upper classmen, participating in the many extra curricular activities offered at our school.

Students of our division are active in football, cheerleading, student helper service, hall guard duty, and other desirable activities. We are also fortunate to have some members of our class on the honor roll.

At this time the main topic of interest and discussion is the 3A dinner dance that takes place next semester. Prom night is another event we are all looking forward to, and last, but not least, the most important event of our High School career — our own graduation.

## DIVISION 5-322

MISS DI BONA

In just a short year and a half, our class will be graduating, but until then, we will be looking forward to many important school activities. Coming up first is our 3A Dinner Dance in June, then one thing after another until that night of nights, the Senior Prom. I'm sure every one of us is looking forward to this day, and with the help of our fine and able Division teacher, Miss Di Bona, we will all do our best to make it a time never to be forgotten.

LA VERGNE COLOSKY, Harrisonian Representative.

When we entered Harrison, we thought that it would take forever before we became juniors, but now it seems the time is going too fast.

We all realize that soon our school days will be over. Some of us are looking forward to going to college and some out into the world to achieve our aims in life.

ELAINE WOUK, Harrisonian Representative.

At last, under the guidance of our wonderful division teacher, Miss E. Johnson, the title of "Junior" is ours. As "JUNIORS" we try never to neglect the duties of Harrisonites, combining scholastic work and extra curricular activities.

MRS. ZOES

This had been a very eventful year for our division.

Miss Ida Weiner, who has been our division teacher since we were freshies, resigned to be married. We're all sure that she will be very happy in her new role as a housewife.

Josephine Piscopo and her accordion partner appeared on television in September and won third prize, receiving twenty dollars and a wrist watch.

The concert which was held Jan. 30 was a big success. Some of our classmates appeared in it.

LA VERNE WEIR, Harrisonian Representative.

# DIVISION 5-206

MR. ANDRIS

Hail and farewell. At the end of the Spring semester 1952, the members of division 206 said good-bye to Mr. John H. McClellan. Mr. McClellan, who started us on our high school career, was not only a teacher but a friend. To show our appreciation for all his efforts the division presented him with a gift certificate. Mr. Peter Andris was the teacher named to assume all of Mr. McClellan's former responsibilities. We feel certain that Mr. Andris will lead us, the members of division 5-206, to a final success.

MRS. HOY

You may need a map and a complete set of directions to find us in the far regions of the Annex, but each morning as we don our space suits to travel to our classes, we congratulate ourselves for not forgetting that we, too, are a part of Harrison. Although we are tucked away in a corner, we occasionally emerge to find a place in the spotlight of school activities. We boast a member of the varsity basketball team as well as band and orchestra members. We take an active interest not only in Junior Red Cross and the "H" club, but in assisting with registration and as student helpers. Working together, we will try to make Division 5-162 one of the outstanding groups at Harrison.

Under the guidance of our division teacher, Mrs. Buntman, we are eagerly looking forward to our senior year.

PAMELA STRUVEN, Harrisonian Representative.

The boys and girls of division 4-348 have maintained a high standard in activities as well as grades.

Some of the activities in which they have participated are: Girls' Chorus, Junior Red Cross, Social Laboratory Hostesses, R.O.T.C., Band, Student Council, and a number of others.

We hope to remain on these standards throughout our remaining two years here at Harrison High.

The boys and girls of Division 4-344 are making an effort to achieve a higher standard in grades and extra curricular activities than they have obtained in the last four semesters.

We have fourteen out of thirty-four pupils on the Honor Roll and twenty-three of the pupils are participating in extra curricular activities.

ROSE MARIE OSKVAREK, Harrisonian Representative.

Up to this time Division 4-342 has been very active in Intramural Sports. In the last basketball tournament our "fellas" have taken the title, "Sophomore Champs." The "gals" have taken a duplicate title in the last softball meet. With the new tournament coming up we all hope to accomplish as much as last year, if not more.

CORINNE FINGL, Harrisonian Representative.

We have students of many tastes and pleasures. Some are helpers, advanced art students, movie operators, and members in band, choir and chorus. Some work after school as pin boys, filing clerks, waitresses, and others. Our ambitions might differ a little but together we make a wonderful division.

Division 3-215 is composed of thirty-four sophomore girls and boys.

With two years of our high school course almost finished, we are looking forward to our last two years at Harrison, hoping they will be even better than our first two.

We are sorry to have lost several members in our division, but have gained others to take their place.

With great enthusiasm we are waiting to start our junior year and intend to cooperate as before.

We appreciate the help our division teacher, Miss Elsie Fox, has given us.

We of Division 3-117, a sophomore division, consist of thirty-eight pupils. We are proud to say that Gus Gucal has participated in football, baseball and basketball. Here we are again — of course you know us — the GREAT ONE SIX-TEEN! If I were one to carry tales, I'd tell about our daily laughs over the fabulous absentee notes which some of us do bring. We are beset with hilariously amazing illnesses such "sore little toe", "tender feet" or the popular "upset stomach"; and we believe there should be a campus hospital to care for our doomed students!

Seriously, we are glad that we can start the day with a smile, and we have good cause to say that our division students and division teacher are the best in the whole school.

## DIVISION 2-316

MRS. ELLIS

During our first year at Harrison High School we, the students of Division 2-316, have tried very hard to maintain the high standard which has been set and maintained by the many students before us.

Our division is having trouble though, keeping track of our division teachers. It seems every time we turn around we have a new division teacher. Division 2-316 is now under the capable supervision of Mrs. Ellis, and we are all hoping that she will stay a while.

MARY LOU CASTROGIOVANNI, Harrisonian Representative.

Division 3-104 is very socially-minded and has division officers.

The division is interested in sports and in welfare work, but as sophomores has not begun to make the record they hope to achieve as juniors and seniors.

SALLY CHMIELEWSKI, Harrisonian Representative.

When we first graduated from grammar school and started here at Harrison, we assumed an air of importance, but we were secretly awed by the new step HIGH SCHOOL. Everything was so new and bewildering that we surely would have been very discouraged but for the guidance of our very capable division teacher, Miss Ann Landa.

CAROLE SVOBODA, Harrisonian Representative.

Those with wondering, perplexed faces dominated the group. Here and there a few worried faces showed. There, there goes the bell, and 34 freshmen walked out to face their very first **Course Book Day!**

KEN SABLIK, Harrisonian Representative.

Last semester we were freshies. There is a difference between a freshie and freshman, because you know the school, the teachers, and your classmates better. Also, you don't get teased about being a freshie.

There are more activities in high school and you enjoy school better as you go along in the years.

ROSALIE PROPOGGIO, Harrisonian Representative.

# DIVISION 2-118

MISS McHUGH

This is the second time division 2-118 has appeared in the yearbook. During the year we have done many successful things. The girls have had a volleyball team and the boys a basketball team. We have members in the choruses, band, orchestra, R.O.T.C., and the Social Laboratory. Our honor roll rating is usually from 4 to 8. We are proud of our division, as you can see. With the direction of our capable division teacher, Miss McHugh, we are sure to have much more to be proud of.

See you next year!

The students in our division have all bought the Herald and we are proud to be 100 per cent.

We have a volleyball and basketball team. Quite a number of our students are on the Honor Roll. Our division has contributed well to all the collections that have been taken.

Want to know us? Well, even if you don't, you'll be hearing a lot about us anyway. During our remaining years here at Harrison, we will participate in as many extra curricular activities as possible, keep up our grades and make our division a successful one.

With the careful and able guidance of our great division teacher, Mr. Saratowicz, I know we can make Harrison proud of Division 1-260.

MR. SLAVIN

Most of us can still remember the first time we gathered in Morse Hall. Everyone was excited about going to a new school and yet we were afraid of being separated from our friends. I think just about all of us were surprised to have division in the lunch room. The first day all of us must have been late for our classes, for we had never been in the school before, and we had to find our own way around. We met many teachers that first day. Now we follow a routine.

With the fine supervision of Mr. Prokop, our division teacher, we hope to reach our goal.

## DIVISION 1-SLR

MR. SOBEHRAD

We are one of the many "freshie" divisions at Harrison. As all "freshies", we were unaccustomed to such a big school, since most of us came from small schools. We looked at the freshmen, sophomores, juniors, and, finally, the seniors, and wondered if we could ever be so calm and at ease in a big school. Now, as our first semester at Harrison is almost over, we feel more relaxed than when we came.

We wish loads of luck to the seniors and hope we can make as good a record as they did in their years at Harrison.

We have tried to make Harrison proud of our division.

LYVONNE KARR, Harrisonian Representative.

Division 1-315 tries to participate in all activities, such as basketball, football, band, R.O.T.C., and the GAA.

We try to maintain perfect attendance. Some of the students are on the honor roll, and more are trying to get up there. About all the students are taking the Herald. We hope to have three more years of fun and work at Harrison.

CHARLES DRAHOS, Harrisonian Representative.

There are 32 students in Division 1-314, and we all have a lot of fun. Somebody is always talking or cracking jokes—so we never have a dull moment. Whenever anything unusual happens, we are the first to know about it. We may not be different from any other division, but we try to be the best.

ELVA TREMMEL, Harrisonian Representative.

Since we are freshies you have not heard of us very often, but with the help of our division teacher, Mrs. Scanlon, we intend to make ourselves well known in the future years. Not many of our division have made the honor roll, but our attendance record is among the best in Harrison.

We are the members of division 1-152. We are made up of members of the R.O.T.C., Girls Chorus, Band, Student Helpers, Social Lab Hostesses and Library Assistants. We also have a few on the Honor Roll who are looking forward to becoming future members of the Honor Society.

Having made these achievements during our Freshie semester, we are looking forward to many more fun-filled semesters.

We greatly appreciate the help our division teacher, Mr. Phipps, has given us during our first semester at Harrison. Under his guidance we hope to graduate with the class of 1956.

CAROL DUCZMAN, Harrisonian Representative.

Our division took the long walk from Morse Hall to Room 258 as a group of "Freshies" in September, 1952. Since then we have learned to know each other and our teacher, Mr. Beyler, much better. We have in our group several honor roll students. It is our ambition to contribute much to the citizenship and scholarship of our school in the three years ahead of us.

BEATRICE GALANG, Harrisonian Representative.

Division 1-256 is a normal segment of Harrison High School and of the world, with students of all sizes, shapes, manners and attitudes. Most of us come dashing in before or at exactly 8:25 A.M., neither early nor late. Two girls are on the honor roll and three boys are in the R.O.T.C. Our division is looking forward to becoming 8-256 in four years from now. We are hoping that none of us will drop out before we reach our senior year.

We, the 35 students of division 1-254, are proved to be a part of Harrison and are working hard to succeed.

When we entered Harrison we felt out of place and lost, but now we have gotten into the swing of things and have participated in basketball, volleyball, R.O.T.C., junior librarian, Red Cross, and even the Concert Band. We have an Honor Roll and our own division officers.

During our four years at Harrison we hope to stay together with our division teacher, Miss Stack.

One of the biggest events in division 1-213 was Bow Day. Everyone kept in the spirit of the occasion, and as a result over 150 bows were sold by our G.A.A. representatives, Maureen Michon and Florence Bilicki. 1-213 has been very good in supporting the football team, senior play, and many tickets have been purchased. We have 5 boys in the R.O.T.C. and 3 in the band. We also hope eventually to have several in the Honor Society.

PAT ZUBER, Harrisonian Representative.

Mrs. Minor's division, 4-331, has a group of hard workers. Ten honor roll students and 100% collection for the Student Welfare Fund prove the students are interested in school.

Our division collected \$24.00 for six beautiful Christmas gifts for children and orphanages which we sent through the Good Fellows of the Tribune.

THERESA COSTANZO, Harrisonian Representative.

Mr. Scott was pleased to know that his class has adjusted themselves to life in Harrison. Their collections are all 100% and Miss Wagner gave them a compliment by saying, "It's very unusual for a freshie class to subscribe 100% for the Herald."

BARBARA HARAZIN, Harrisonian Representative.

We, division 1-316, entered Harrison High School on February 2, 1953. As a bunch of "freshies", we think we are doing fairly well. Within the first week, our division subscribed to the Herald, our school paper, 100%; and our boys were one of the first to form a volleyball team.

This is only the beginning of our four year adventure. One thing is sure, division 1-316 is going to be one of the finest Harrison has ever had.

BERNICE DYMBROSKI, Harrisonian Representative.

MR. PERLSTEIN

Here we are just a bunch of green freshies, but we are learning fast. Our whole way of thinking has been changed since we left grammar school. We have learned to think for ourselves and obey different rules. Our first days at Harrison were spent in learning our way around. We had jokes played on us and we were kidded a lot, but with the help of our division teacher, Mr. Perlstein, we soon got used to this new way of life and even came to enjoy it. We are now looking forward to the years ahead of us knowing that this experience will help us become better citizens in the world of tomorrow.

THOMAS BERAN, Harrisonian Representative.

# DIVISION 1-214

MR. PORTNOY

The ice broke early in our class. After the third day it had all melted and by the end of the week we had met many friends and were looking forward to meeting even more.

Before Miss McGregor left, she asked us if we wished to adopt the picture of her previous class which was called "The Hard Working Angels" as our division title. We said "Yes" and now we are trying hard to work up to the good name of "The Hard Working Angels".

We elected Joan Kapr as the president of our division and also as the delegate in the student council. Carlos Velasquaz was elected alternate to the council.

Sixteen girls and twenty boys came to Harrison in February from nineteen different grammar schools, to form division 1-221. Our first few days here, the school seemed so huge that we felt very small, quite often lost and a little bit scared. But our teachers were kind and patient and the upper classmen helpful and friendly. So now we feel that Harrison is our school and we love it.

DONNA COLOSKY, Harrisonian Representative.

We, the members of Division 1-225, entered Harrison in February green as the proverbial grass, but with our hopes high. At first we were almost frightened at the bigness of our new school and wondered if we would ever get accustomed to it, but now, after only a few short weeks, it seems like home to us and we like it very much.
